Dear Ms. Williams,

I understand that you recently have been asked by the Sterling/Blumenfeld group to delay for an additional thirty days your recommendation on the Coliseum redevelopment to the County Executive. I further understand that this request was based on the Sterling/Blumenfeld group's stated desire to enter into discussions with me pertaining to the Islanders. It seems curious that the Sterling/Blumenfeld group expressed this desire at this late date, given that they have not contacted me once during the previous months while the RFP and BAFO processes took place.

Please be advised that I have no interest at this time of discussing the Islanders' future, including but not limited to its disposition, lease extension or partnering with anyone other than Lighthouse Development Group. I have communicated the same to NHL Commissioner Gary Bettman.

Very truly yours,
